DETAILED ACTION

1. On 7/6/2005, the Examiner had an appeal conference with SPE Deborah Jones and Carol Chaney. The appeal conference panel had carefully reviewed applicant's appeal brief filed on 6/20/2005 and found the appeal brief to be defective because it does not follow the Rules of Practice Before the Board of Patent Appeals and Interferences (BPAI) (effective September 13, 2004). Some rules including the content and format of the appeal brief has been significantly changed since September 13, 2004. Applicant may refer to the USPTO website for details of the rule changes in practice before the BPAI:

<http://www.uspto.gov/web/offices/pac/dapp/ogsheet.html>. Applicant is required to resubmit a new appeal brief based on the new rule.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ling X. Xu whose telephone number is 571-272-1546. The examiner can normally be reached on 8:00 - 4:30 Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Deborah D. Jones can be reached on 571-272-1535. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
